Hello!

That makes sense when you consider many (but certainly not all) of the attendees hold libertarian and voluntaryist philosophies. Never heard of a voluntaryist?

>[\[Voluntaryists are advocates of non-political, non-violent strategies to achieve a free society.\]\(http://voluntaryist.com/\)](http://voluntaryist.com/)

C'mon, does this look like a group of evildoers?

Feeding the homeless, giving people discounts on Amazon purchases, providing financial services to the developing world, reducing fraud in worldwide aid, stopping financial crisis, and introducing people bitcoin.

Lucky Me

I was fortunate to attend last weekend's Satoshi Roundtable.

Bruce did a great job of putting on a high end event.
